

THE MALAYSIAN JOURNAL OF PATHOLOGY

CONTENTS

Reviews

- Induced pluripotent stem cells in research and therapy 1
Teoh HK and Cheong SK

Original articles

- Role of immunohistochemical cyclo-oxygenase-2 (COX-2) and osteocalcin in differentiating between osteoblastomas and osteosarcomas 15
Zeinab HEB, Eman MSM and Hassan HN
- CD133 marks for colorectal adenocarcinoma.....25
Chew MF, Teoh KH and Cheah PL
- Variant of *Helicobacter pylori* CagA proteins induce different magnitude of morphological changes in gastric epithelial cells.....29
Alfizah H and Ramelah M
- The discrimination of d-tartrate positive and d-tartrate negative *S. enterica* subsp. *enterica* serovar Paratyphi B isolated in Malaysia by phenotypic and genotypic methods.....35
Ahmad N, Tang SGH, Kamel MAG, Ghani A and Koh YT
- Potential use of single measurement of serum progesterone in detecting early pregnancy failure41
Hanita O and Hanisah AH
- Serum total protein, albumin and advanced oxidation protein products - implications in oral squamous cell carcinoma47
Abhishek SN, Mubeen K, Vijayalakshmi KR, Suman B, Gayitri HC and Anitha M
- ### Case reports
- Endolymphatic sac tumour53
Zulkarnaen M, Tang IP and Wong SL
- Co-inheritance of compound heterozygous Hb Constant Spring and a single $-\alpha^{3.7}$ gene deletion with heterozygous $\delta\beta$ thalassaemia: A diagnostic challenge57
Azma RZ, Ainoon O, Norazlina A, Hafiza A, Azlin I, Nurasyikin Y, Farisah NR, Hidayati NS and Hamidah NH
- Multiple metastatic renal cell carcinoma isolated to pancreas.....63
Çomunoğlu C, Altaca G, Demiralay E and Moray G
- ### Brief communication
- Factor IX mutations in Haemophilia B patients in Malaysia: a preliminary study67
Balraj P, Ahmad M, Khoo ASB and Ayob Y
- ### Letter to Editor
- In-house diagnosis test research in Thailand 71
Wiwanitkit V
- Information for authors**.....i
