

THE MALAYSIAN JOURNAL OF PATHOLOGY

CONTENTS

Editorial

- The Kuala Lumpur Declaration: a commitment to quality research and publication
for evidence-based medical practice and policy advice..... 73
Looi LM

Special announcement

- Kuala Lumpur Declaration on Promotion of Scholarly Writing Skills and Standards in the
Asia Pacific Region..... 75
APAME

Review

- Leukaemic stem cells: Drug resistance, metastasis and therapeutic implications 77
Wong RSY and Cheong SK

Original articles

- Cyclin D1 expression in acral melanoma: a case control study in Sarawak 89
Ibrahim ZA, Narihan MZA, Ojep DNA, Soosay AER and Pan KL

- Cutaneous malignant melanoma: clinical and histopathological review of cases in a
Malaysian tertiary referral centre..... 97
Pailoor J, Mun KS and Leow M

- Real space flight travel is associated with ultrastructural changes, cytoskeletal disruption
and premature senescence of HUVEC..... 103
Kapitonova MY, Muid S, Froemming GRA, Yusoff WNW, Othman S, Ali AM and
Nawawi HM

- Adequacy of cellular material in split-sampling of cervical scrapings for routine cancer
screening: an analysis of 702 smears 115
Othman N and Othman NH

- Profile of medicolegal autopsies in Pekanbaru, Indonesia 2007-2011 123
Afandi D

- Molecular identification of blow flies recovered from human cadavers during crime scene
investigations in Malaysia..... 127
Kavitha R, Nazni WA, Tan TC, Lee HL, Mat Isa MN and Sofian Azirun M

- MicroRNA (miRNA) expression profiling of peripheral blood samples in multiple myeloma
patients using microarray 133
Yusnita Y, Norsiah, Zakiah I, Chang KM, Purushotaman VS, Zubaidah Z and Jamal R

- Maternal level of pregnancy-associated plasma protein A as a predictor of pregnancy failure in
threatened abortion..... 145
Hanita O, Roslina O and Nor Azlin MI

Case report

- Klebsiella ozaenae* sepsis in a young healthy male 153
Endailalu YW, Sealy P, Michael M, Khalloufi KAL and Nabhani H

Brief communications

- Prevalence of leptospiral DNA among wild rodents from a selected area in Beguk Dam Labis,
Segamat, Johor, Malaysia 157
Latifah I, Rahmat MS, Hayarti KB, Paramasvaran S, Azizah MR, Imran F and
Normaznah Y

- HbA2 levels in normal, β -thalassaemia and haemoglobin E carriers by capillary
electrophoresis 161
Hafiza A, Malisa MY, Khirotdin RDA, Azlin I, Azma RZ, Chong MKT, Mohamad Ali I,
Yeoh ZN, Mohd Ishak L, Mohd Radzi NR and Hussin NH

Letters to Editor

- Extensive cystic degeneration of leiomyoma mimicking ovarian cystic neoplasm 165
Arafa M and El-Esawy B
- MicroRNA-induced pluripotent stem cells 167
Tan GC and Dibb NJ
- Response: MicroRNA-induced pluripotent stem cells 169
Teoh HK and Cheong SK

- Abstracts of 11th Annual Scientific Meeting of the College of Pathologists** 171
