

The Malaysian Journal of Pathology Index: Volumes 14-16,1992-94.

MAIN SECTION.

1. ACANTHAMOEBA culbertsoni infection at a chronic duodenal ulcer site: report of the first Malaysian case of infection by a species of free-living amoeba by J Ganesan, KPF Lai, DC Warhurst, HM Counihan, RM Oommen and SE Pillai (abstract) 16(1): 99, 1994.
2. "ACUTE blood loss:" a computer-aided instruction package on blood transfusion for postgraduate students in Medicine, Surgery, Paediatrics and Pathology by Lee HL, Mat Haswandi Harun, Phua KK and N Jackson (abstract) 16(1): 107-108, 1994.
3. ACUTE hybrid leukaemia diagnosed by two colour flow cytometry by HR Gudum, YM Chin, S Jeyarane, N Menaka, HP Lin and A Tay (abstract) 14(1): 53, 1992.
4. ALPHA-1-ANTITRYPSIN deficiency in babies with prolonged jaundice by Zakiah I, Mohd Zaini AR, Jamilah B and Zawiah A 14(2): 91-94, 1992.
5. ALPHA-1-ANTITRYPSIN immunoreactivity in the small bowel in coeliac disease by AK Malik and JOD McGee 15(2): 151-154, 1993.
6. ALPHAFETOPROTEIN and T-cell helper/suppressor ratio in HbsAg-positive individuals by Ooi LH, Chin SF, Toh SH, Cheong SK, Thanaletchmy N and Noriah R (abstract) 14(1): 61-62, 1992.
7. ALTERATIONS in mucin type: an indicator for suspicion of malignant gastric transformation by PL Cheah and K Ramachandran 16(1): 39-42, 1994.
8. ANKYLOSING spondylitis and HLA-B27 in the Malaysian population by Nasuruddin Abdullah, K Veerapen, K Mahendran, Ong KJ, Maiselmah Lisut and KD Sukumaran (abstract) 16(1): 98, 1994.
9. ANTENATAL syphilis on the decline? by Haniza A, Soh SH, Syed AK Shahnaz M (abstract) 16(1): 111, 1994.
10. ANTIBODY deficiency with hyper IgM - a case report by Lokman MN, SM Low, Indon Lajin and Nasuruddin A 14(2): 121-123, 1992.
11. ANTIMICROBIAL resistance : patterns and trends in the National University Hospital, Singapore (1989-1991) by G Kumarasinghe, HY Liew and C Chow 14(2): 95-103, 1992.
12. APPLICATION of apolipoprotein E phenotyping in hyperlipidemia by Faridah Abdul Rashid (abstract) 16(1): 108, 1994.
13. An ASSESSMENT of antioxidant status of blood from thalassaemic patients by Jamaludin Mohamed, Suhaimi Dollah, Rokrn Abdullah, E George and Mohktar Abu Bakar (abstract) 14(1): 58-59, 1992.
14. ASSOCIATION between HLA antigens and clinical manifestations in Chinese with SLE by Shanaz M, NCT Kong and Nasaruddin A (abstract) 16(1): 96, 1994.
15. ASSOCIATION of human papilloma virus genotypes with juvenile laryngeal papillomatosis: a report of 2 cases by Siti Aishah MA, Illina I, Dahlan Sabil, Fatimah Sahlan, Lokman Saim and Abdullah Sani Mohamed (abstract) 16(1): 101, 1994.
16. BACTERIOLOGY turnaround time in seven Malaysian general hospitals by VKELim and YM Cheong 14(1): 41-43, 1992.
17. A, E BART'S disease: report of sixteen cases seen at the Institute for Medical Research by V Rekhraj and Khalid H (abstract) 16(1): 107, 1994.
18. BILATERAL retinoblastoma by Shriwas SR (abstract) 16(1): 101, 1994.
19. BIPHENOTYPIC hybrid acute leukaemia detected by two colour flow cytometry by HR Gudum, YM Chin, N Menaka, S Jayarane, HP Lin and A Tay 14(1): 25-28, 1992.
20. BLOOD cholinesterase levels in a group of Malaysian blood donors by L Chan, S Balabaskaran, AE Delilkan and LH Ong 16(2): 161-164, 1994.
21. BRIEF communication: Absence of rotavirus in the neonatal special care nursery of a Malaysian maternity hospital by KL Yap, NY Boo and O Surayah 16(1): 89-91, 1994.
22. BRIEF communication : Antibody to hepatitis C virus in thalassemia patients by Illina I, Rosmadi B, A Shukor H, Mokthar AB and E George 15(1): 85-87, 1993.
23. CANCER statistics in Hospital USM 1985 - 1992 by Nor Hayati Othman (abstract) 16(1): 103, 1994.

24. CASE report : Solvent abuse: a case report and a review by R Sarvesvaran and Hasnan J 16(2): 167-171, 1994.
25. The CHEMICAL pathology posting in Phase III of the Medical Course: analysis of feedback from students by Chandrasekharan N, Mussalmah M and Chandran G (abstract) 16(1): 113-114, 1994.
26. CHRONIC hepatitis B infection in Malaysians by SF Yap 16(1): 3-6, 1994.
27. CLINICAL correlates with immunopathogenesis in dengue haemorrhage fever/dengue shock syndrome by PSK Tan 15(1): 41-47, 1993.
28. COMBINED serous cystadenoma with granulosa cell tumour of the ovary: a case report by Noraidah Masir, Siti Aishah MA and Jemilah Mahmood (abstract) 16(1): 100, 1994.
29. A COMMON disease in a strange place - amoebiasis of the endometrium by Nor Hayati Othman and Awang Nila Ismail (abstract) 16(1): 98, 1994.
30. A COMPARATIVE study of the in-vitro activity of Cefepime and other cephalosporins by VKE Lim and MY Halijah 15(1): 65-68, 1993.
31. COMPARISON of ELISA for hepatitis B e antigen and PCR for HBV-DNA detection for the measurement of infectivity and pathogenicity in Hepatitis B by KK Phua, PK Das, KE Choo and HS Nazim (abstract) 16(1): 93, 1994.
32. COMPARISON of HIV antibody profiles in intravenous drug users and individuals infected by the sexual route by S Subramaniam, V Balasubramaniam, M Sinniah, R Thayan and LY Lim 15(2): 143-146, 1993.
33. COMPOSITE mucinous and granulosa-theca cell tumour of the ovary: an unusual neoplasm by H Rahman, R Chandran and D Gebbie (abstract) 16(1): 104, 1994.
34. CONGENITAL dyserythrotoetic anaemia: description of a case with early presentation by Khalid H, Nik Faizah NH and Choo KE (abstract) 16(1): 105, 1994.
35. CONGENITAL mesoblastic nephroma : a clinicopathological study by Sharifah NA, Mukarramah and Goon HK (abstract) 14(1): 54-55, 1992.
36. A CONGENITAL platelet release disorder in a Chinese by Roshidah I and Khalid H (abstract) 16(1): 105, 1994.
37. CRITICAL care aspects of dengue haemorrhagic fever/dengue shock syndrome by BH Yong 15(1): 35-39, 1993.
38. CYCLIN expression in benign, borderline and malignant epithelial tumours by JJ Khoo and R Pathmanathan (abstract) 16(1): 97, 1994.
39. CYTOMORPHOLOGICAL aspects of benign breast lumps by G Jayaram and M Gupta (abstract) 15(1): 90, 1993.
40. Use of DENGUE blot in dengue diagnosis: the Malaysian experience by R Fang, M Sinniah and LS Kuen 14(2): 117-120, 1992.
41. DENGUE situation in Malaysia by S Poovaneswari 15(1):3-7, 1993.
42. DETECTION of serum hepatitis B virus using polymerase chain reaction technique by Yeoh KS, Ton SH, Joyce JN, Noriah R, Cheong SK and Thanaletchimy N (abstract) 16(1): 111, 1994.
43. DETERMINATION of antigenic CI-inhibitor in the Malaysian population by SH Soh, Shahnaz M, Azizah MR and Nasaruddin A (abstract) 16(1): 96, 1994.
44. DEVELOPMENT and validation of new 'in-house' direct rat serum testosterone assay by Musalmah Mazlan, J Merouri and K Outch (abstract) 16(1): 109, 1994.
45. DEVELOPMENT of a slide latex agglutination test for rotavirus antigen detection by KL Yap 16(1): 49-56, 1994.
46. DEVELOPMENT of an integrated histopathological database management and digital image processing system by PK Das, KK Phua and Saaban Md Shukor (abstract) 16(1): 115, 1994.
47. A DIRECT ³H-radioligand assay for serum progesterone compared with an assay involving extraction of serum by Ismail AR and N Satgunasingam 15(2): 115-118, 1993.
48. DISSEMINATED histoplasmosis mimicking miliary tuberculosis: a case report by KS Chan, LM Looi and SP Chan 15(2): 155-158, 1993.
49. DISTANT metastatic retinoblastoma by Shriwas SR (abstract) 16(1): 101, 1994.
50. The DISTRIBUTION of immunoregulatory cells in the peripheral blood of normal Malaysian adults by SP Chin, SK Cheong, YC Lim and SH Ton 15(1): 49-52, 1993.

51. EDITORIAL note : the Malaysian Journal of Pathology - a new look by LM Looi 14(1): i, 1992.
52. EDITORIAL note : the Malaysian symposium WASP by LM Looi 16(1): 1, 1994.
53. EFFECTIVE training on computer assisted instruction (CAI) courseware packages by Faridah Abdul Rashid (abstract) 16(1): 112, 1994.
54. The EFFECTS of edible oils on the ultrastructure of common carotid artery of the rat by Zainuddin Merican, Mohd Fadzil Mohd, Khalid Abdul Kadir, Toh HT, Megat Radzi and Mohd Asri (abstract) 14(1): 58, 1992.
55. ENDOMETRIAL changes in ectopic pregnancy by PH Tan and SK Lim-Tan (abstract) 14(1): 55, 1992.
56. EPSTEIN-BARR virus associated diseases: an update by Pathmanathan R 15(2): 105-113, 1993.
57. EVALUATING in-house anti-serum against B cells with flow cytometry by SF Chin, SK Cheong, YC Lim, KL Mok and HN Hamidah 15(2): 125-130, 1993.
58. An EVALUATION of the staphylococcal co-agglutination test for the detection of group A rotavirus in human faeces by KL Yap, YE Ooi CM Khor and SH Wong 14(2): 105-110, 1992.
59. EVALUATION of variable parameters in neutrophil function test using chemiluminescence assay by RM Noah, MR Jais and LM Noh 16(2): 157-160, 1994.
60. CD22 EXPRESSION by flow cytometry in leukaemic cells by SF Chin, SK Cheong, Saripah S, Ainoon O and Hamidah NH (abstract) 16(1): 106, 1994.
61. C-erb-B2 EXPRESSION in infiltrating ductal carcinoma of breast by LM Looi and SF Yap (abstract) 16(1): 112, 1994.
62. EXTERNAL quality control provides confidence in the management of patients by N Zainal, S Ghazali and N Jamaludin (abstract) 16(1): 114, 1994.
63. FAMILY study of alpha-thalassaemia by gene analysis by O Ainoon, J Jabamoney, SK Cheong and NH Harrudah (abstract) 14(1): 59, 1992.
64. FINE needle aspiration cytology in the diagnosis of bone tumours by G Jayaram and M Gupta 16(2): 137-144, 1994.
65. FINE needle aspiration cytology of a case of Langerhans cell histiocytosis - a case report by Sharifah NA, Megat Radzi, Suraya Hussain and Janie Lau (abstract) 14(1): 56, 1992.
66. FINE needle aspiration cytology of benign breast lumps: a review of experience with 651 cases by G Jayaram and M Gupta 16(1): 29-38, 1994.
67. FINE needle aspiration cytology of the breast: an analysis of 1,094 aspirates by Sharifah NA, Hayati AR, Freda Meah and Zain Al-Rashid 15(1): 53-58, 1993.
68. FINE needle aspiration cytology of salivary gland lesions by G Jayaram, A Verma, N Sood, N Khurana (abstract) 16(1): 94, 1994.
69. FLOW cytometric analysis (FCM) of nuclear DNA content in neuroblastoma by Goon HK, Ishimoto K, Sharifah NA and Zainal Abidin H (abstract) 14(1): 53, 1992.
70. FOUR quadrant fine needle aspiration cytology for the detection of benign proliferative breast lesions accompanying breast carcinoma by G Jayaram, M Gupta and S Lamba 15(2): 137-142, 1993.
71. FOUR quadrant fine needle aspiration cytology of non-palpable benign proliferative breast lesions by G Jayaram, S Lamba and A Kakar 15(2): 131-136, 1993.
72. A FREEZE-DRIED method for preparation of G6PD reagent tubes by SK Cheong, YC Lim and KL Mok (abstract) 14(1): 59, 1992.
73. p53 GENE expression in colorectal carcinomas - an immunocytochemical study by A Kreetharan, R Pathmanathan and VA Rayappan (abstract) 16(1): 97, 1994.
74. GENE rearrangement in leukaemias and lymphomas by Jabamoney JA, Ainoon O, Hamidah NH and Cheong SK (abstract) 16(1): 102-103, 1994.
75. GENE rearrangement in the diagnosis of a case of acute leukaemia mimicking systemic lupus erythematosus (SLE) - a case report by NH Hamidah, O Ainoon, Cheong SK, J Jabamoney and KL Mok (abstract) 14(1): 60, 1992.
76. HAEMOLYTIC disorders: a computer-aided instruction package for second and third year medical students by N Jackson, Phua KK and N Fernando (abstract) 16(1): 107, 1994.

77. HAEMOLYTIC disorders: a computerized assessment of medical students' knowledge by means of a quiz, case studies and MCQs by Phua KK, N Fernando and N Jackson (abstract) 16(1): 104, 1994.
78. HANDLING of fine needle aspiration specimens by Kent Mancer (abstract) 14(1): 57, 1992.
79. HISTOPATHOLOGY of lymph nodal tuberculosis - University Hospital experience by P Jayalakshmi, AK Malik and HS Soo-Hoo 16(1): 43-47, 1994.
80. The HISTOPATHOLOGY of melioidosis by KT Wong, SD Puthuchery and J Vadivelu (abstract) 16(1): 94, 1994.
81. HUMAN chorionic gonadotrophin, placental alkaline phosphatase and human placental lactogen: use in differentiating complete from partial hydatidiform moles by PL Cheah and LM Looi (abstract) 16(1): 100, 1994.
82. HUMAN papillomavirus related diseases in Malaysians by PL Cheah 16(1): 15-17, 1994.
83. HYDATIDIFORM molar pregnancy in Malaysian women: a histopathological study from the University Hospital, Kuala Lumpur by PL Cheah, LM Looi, and V Sivanesaratnam 15(1): 59-63, 1993.
84. IATROGENESIS imperfecta and unexpected test results by N Chandrasekharan, Chandra G and Mussalmah M (abstract) 16(1): 98, 1994.
85. An IMMUNOCYTOCHEMICAL study of plasma cell proliferative lesions by KB Peh and SC Peh (abstract) 14(1): 61, 1992.
86. IMMUNOHISTOCHEMICAL demonstration of estrogen receptors on routine paraffin sections of breast carcinomas: HUSM experience on the first 20 cases by Nor Hayati Othman, Kholid Ali, Rosli Jusoh and Rahimi Ibrahim (abstract) 16(1): 101-102, 1994.
87. An IMMUNOHISTOCHEMICAL study of ras oncoprotein expression in gastric carcinoma by Teh M and Lee YS (abstract) 15(1): 90, 1993.
88. IMMUNOLABELLING of prolactin at ultrastructural level using the protein A-gold technique on epon-embedded tissue by KH Ng, KL Tan, SK Gan and LM Looi 14(1): 29-33, 1992.
89. IMMUNOSTAINING of formalin-fixed, paraffin-embedded tissues for malignant lymphomas by YC Lim, KS Phang and SK Cheong 14(2): 85-89, 1992.
90. The INFLUENCE of coagulation instruments on the International Normalised Ratio by P Kuperan, VIK Kalaichel and C Wong (abstract) 16(1): 106, 1994.
91. An IN-HOUSE enzyme-linked immunoabsorbant assay for human growth hormone by Wan Nazaimoon WM, ML Ng and Khalid BAK 15(1): 75-83, 1993.
92. IN-HOUSE microcomputers software package for management of histopathology reports by YC Lim and SK Cheong 14(1): 13-17, 1992.
93. INTENSIFICATION of the end-product of the diaminobenzidine (DAB) reaction in peroxidase histochemistry by Zainal Abidin H and Sharifah NA (abstract) 14(1): 61, 1992.
94. INTERACTION between alpha-thalassaemia genes, HbE and beta-thalassaemia in a family by Salimah Abdullah and Khalid H (abstract) 16(1): 96, 1994.
95. INTRACELLULAR antigen determination by flow cytometry in leukaemic cells by SF Chin and SK Cheong 16(1): 69-73, 1994.
96. INVASIVE aspergillosis - a rabbit model by Shamin AS, Mohamed Salleh MY, G Arumugham and KL Yap 15(2): 119-123, 1993.
97. INVITED review : The examination of skeletal remains by R Sarvesvaran and BH Knight 16(2): 117-126, 1994.
98. INVITED review : The role of the pathologist in the investigation of iatrogenic deaths by Bernard Knight 14(1): 7-11, 1992.
99. INVITED review : Which methods of donor recruitment give the safest donors? by B Wylie 15(2): 99-103, 1993.
100. ISOLATION of Moraxella catarrhalis from sputum specimens of Malaysian patients by Norazah Ahmad, YM Cheong and Hadijah Md Tahir 16(1): 63-67, 1994.
101. ISOLATION of Moraxella catarrhalis from sputum specimens of Malaysian patients by Norazah Ahmad, YM Cheong and Hadijah Md Tahir (abstract) 16(1): 95, 1994.
102. LABORATORY computerisation: options using clinical laboratory data & information management systems (CLDIMS) by Faridah Abdul Rashid (abstract) 16(1): 114, 1994.

103. LARGE solitary luteinized follicle cyst of pregnancy and puerperium - a case report by Arni Talib, Siti Aishah MA and Zainul Rashid MR (abstract) 16(1): 103, 1994.
104. LEPROSY in Malaysia by Jayalakshmi P 16(1): 7-9, 1994.
105. LEUCONOSTOC species - its significance in blood culture by ML Ling (abstract) 14(1): 54, 1992.
106. LICENSING of HIV testing laboratories in Singapore by J Sng (abstract) 16(1): 95, 1994.
107. LIPID profiles of the population of Kelantan Malaysia by Mazidah AM, Nawawi AR and Wan Baharuddin WI (abstract) 14(1): 55, 1992.
108. MALIGNANT melanoma - retrospective study of 14 cases by Hayati AR (abstract) 14(1): 58, 1992.
109. MALIGNANT rhabdoid tumour of the kidney : report of a case showing focal glomeruloid differentiation by G Jayaram and LM Looi 16(1): 83-87, 1994.
110. MANAGEMENT of dengue haemorrhagic fever/dengue shock syndrome by LCS Lum 15(1): 29-33, 1993.
111. MASSIVE oesophagostomiasis in man: the first reported case in Malaysia by Norain Karim and CK Ow Yang (abstract) 14(1): 57, 1992.
112. MASSIVE small bowel infarction and duodenal perforation due to abdominal polyarteritis nodosa : a case report by M Tun and AK Malik 16(1): 75-78, 1994.
113. METASTATIC follicular carcinoma of the thyroid presenting as pulsating masses - a report of two cases diagnosed by fine needle aspiration cytology (FNAC) by Sharifah NA, Zaini Marsan, Jalil J and F Meah (abstract) 14(1): 56, 1992.
114. MICROSCOPIC colitis: a histopathological study of nine cases by P Jayalakshmi, AK Malik and NW Wong 16(2): 145-150, 1994.
115. A MORPHOLOGICAL and immunohistochemical study of plasma cell proliferative lesions by KB Peh and SC Peh 14(2): 45-48, 1992.
116. MYELODYSPLASTIC syndrome: haematologic spectrum in Hospital Seremban by Khalid H and Salmi Salim (abstract) 16(1): 105-106, 1994.
117. NEW insights in the assessment of thyroid function by TC Aw (abstract) 16(1): 99-100, 1994.
118. A NEW method of conducting problem-based learning sessions in the School of Medical Sciences, Universiti Sains Malaysia: an evaluation of Phase II students' response by AS Dharap, KK Phua and Hamidji Tanuseputro (abstract) 16(1): 112-113, 1994.
119. NON-AMYLOID fibrillary glomerulonephritis: a clinicopathological study by LM Looi and Helmut G Rennke (abstract) 14(1): 54, 1992.
120. A NOVEL finger protein in lysosome recognized by an autoantibody present in the serum from a patient with SLE by FT Mu, EPC Tock, J McCluskey and BH Toh (abstract) 15(1): 90-91, 1993.
121. NUCLEOLAR organizer regions in prostatic lesions by KP Chia and P Jayalakshmi (abstract) 16(1): 93, 1994.
122. OESOPHAGOSTOMIASIS in man: report of the first Malaysian case with emphasis on its pathology by Norain Karim and CK Ow Yang 14(1): 19-24, 1992.
123. OUTPATIENT management of dengue infection in the University Hospital, Kuala Lumpur by CK Chin 15(1): 21-23, 1993.
124. PARTICLE size analysis by Faridah Abdul Rashid (abstract) 16(1): 108, 1994.
125. PATHOLOGICAL changes in sambar deer naturally infected with tuberculosis: a preliminary report by P Loganathan, A Fauziah, AA Nor Aidah, A Maznah and A Rafiah (abstract) 14(1): 53, 1992.
126. The PATTERN of amyloidosis in Malaysia by LM Looi 16(1): 11-13, 1994.
127. The PATTERN of renal disease in Malaysia by LM Looi 16(1): 19-21, 1994.
128. A PILOT study to evaluate the feasibility of teaching Phase III MD students using an innovative computer-aided instruction programme by SPRam, Phua KK, Zabidi Azhar Hussin and Saaban Shukur (abstract) 16(1): 113, 1994.
129. PLASMA lipid and lipoprotein levels of mothers and their newborns by AM Mazidah, A Omar, KE Choo and A Siva (abstract) 16(1): 110-111, 1994.

130. PREALBUMIN rather than albumin is a more sensitive indicator of acute liver disease by MY Yasmin, B Aziz, M Nazim and RK Madhavan 15(2): 147-150, 1993.
131. PRELIMINARY evaluation of the INDX^R DIP-S-TICKSTM with positive rickettsial samples in Malaysia by AS Koay and YM Cheong 15(1): 69-73, 1993.
132. A PRELIMINARY study of rickettsial diseases in Terengganu from January 1990 to June 1991 by Norizan Mohd Annuar and Ng PP (abstract) 14(1): 60, 1992.
133. PREVALENCE of enterococcal high-level aminoglycoside resistance in Japan: comparative detection by three methods by YF Chew, M Tosaka and N Yamane (abstract) 15(1): 91, 1993.
134. PREVENTION of lipid peroxidation-induced erythrocyte membrane-damage by alpha-tocopherol by Jamaludin Mohamed, E George and Mokhtar Abu Bakar (abstract) 14(1): 58, 1992.
135. PREVENTION of long crystal formation in myeloperoxidase staining by SF Chin and SK Cheong 15(2): 159, 1993.
136. PREVENTION of resorption by cementoid and enamel epithelium : a fallacy by Hashim Yaacob (abstract) 14(1): 56, 1992.
137. PRIMARY skin malignancies in Hospital Besar, Kuala Terengganu from January 1990 to June 1991 by Norizan Mohd Annuar (abstract) 14(1): 57, 1992.
138. PROBLEMS and solutions in vector control by AS Tham 15(1): 13-19, 1993.
139. PROBLEMS in diagnosis and classification of dengue virus infection by R George 15(1): 25-27, 1993.
140. PROLONGED transfusion regime in beta-thalassaemia major: IMR experience by R Kesavapillai and Khalid H (abstract) 16(1): 96-97, 1994.
141. PROLONGING the shelf-life of freeze-dried G6PD reagent tubes by SK Cheong and SF Chin 15(2): 161, 1993.
142. PROTEINASE inhibitors (PIs) and tubulointerstitial damage: An immunohistochemical and electron microscopic study by Tahir NK and R Sinniah (abstract) 15(1): 89, 1993.
143. PULMONARY changes in paraquat poisoning by Zakaria J and P Jayalakshmi (abstract) 16(1): 102, 1994.
144. PULMONARY oedema due to inhalation of detergent aerosol by J Rao and PK Das 16(2): 165-166, 1994.
145. PULSE-FIELD gel electrophoresis of chromosomal DNA of methicillin-resistant *Staphylococcus aureus* associated with nosocomial infections by YA Hanifah and K Hiramatsu 16(2): 151-156, 1994.
146. RAPID dengue diagnosis and interpretation by SK Lam 15(1): 9-12, 1993.
147. RAPID diagnosis of cytomegalovirus (CMV) infection - the IMR experience by V Balasubramaniam, YC Chen, NB Rasool, WS Lee and Z Morad (abstract) 16(1): 94, 1994.
148. Histopathological REPORTING of breast biopsies and mastectomies for carcinoma of the breast (Consensus report) by LM Looi 16(2): 173, 1994.
149. RESISTANCE patterns of commonly isolated bacteria in the National University Hospital, Singapore by G Kumarasinghe, HY Liew and C Chow (abstract) 15(1): 91, 1993.
150. REVIEW : Drowning by R Sarvesvaran 14(2): 77-83, 1992.
151. REVIEW : In situ hybridisation: principles and applications by LM Looi and PL Cheah 14(2): 69-76, 1992.
152. A REVIEW of primary extranodal head and neck non-Hodgkin lymphoma at Hospital Universiti Sains Malaysia by Riduan Abdullah, N Jackson and Zainol Harun (abstract) 16(1): 102, 1994.
153. REVIEW : The pathology of child abuse by Bernard Knight 14(2): 63-67, 1992.
154. RHEUMATOID factor and antinuclear antibody in VDRL biological false positive cases by WF Ho, MN Zulkifli and BA Nasuruddin (abstract) 16(1): 111, 1994.
155. RUPTURE of stomach and diaphragm - spontaneous or traumatic? by R Sarvesvaran (abstract) 14(1): 55, 1992.
156. SERUM deoxythymidine kinase gives prognostic information in acute leukaemias by Seah LH, Ton SH, Cheong SK and NH Hamidah (abstract) 14(1): 59-60, 1992.
157. SERUM hepatitis B virus DNA : relationship with the e-antigen and anti-e status in chronic carriers by SF Yap, NW Wong and KL Goh 16(1): 57-62, 1994.

158. The SEVENTH K Prathap Memorial Lecture. The pathogenesis of autoimmune immune complex disease by Peter J Lachmann 14(1): 1-5, 1992.
159. SIGNIFICANCE of autoimmune haemolytic anaemia and immune thrombocytopenia (Evan's Syndrome) in Systemic Lupus Erythematosus by J Pasangna, CB Lim, G Duraisamy and Lajin I 16(1): 79-82, 1994.
160. SIGNIFICANCE of autoimmune haemolytic anaemia and immune thrombocytopenia (Evan's syndrome) in systemic lupus erythematosus by P Josephine, CB Lim, G Duraisamy and Indon Lajin (abstract) 16(1): 104-105, 1994.
161. SOLITARY cold thyroid nodules - a correlation of fine needle aspiration cytology with pentavalent technetium DMSA scanning and radionuclide perfusion scanning by V Natarajan, G Jayaram, A Kakar and R Prakash 16(2): 127-135, 1994.
162. SPECIAL editorial : Symposium on dengue haemorrhagic fever: diagnosis and management by SK Lam 15(1): 1, 1993.
163. SQUAMOUS cell carcinoma related antigen: its use as a tumour marker in cervical carcinoma by PL Cheah, SF Yap, LM Looi and V Sivanesaratnam (abstract) 14(1): 60-61, 1992.
164. STORAGE of urine samples for the determination of micro-albuminuria by Zulkifli Ismail and Musalmah Mazlan (abstract) 16(1): 109, 1994.
165. STRUCTURAL changes in the kidney in renal wrap hypertension in rabbits by KM Denton, D Alcom and WP Anderson (abstract) 15(1): 89, 1993.
166. STRYCHNINE poisoning : a case report by R Sarvesvaran 14(1): 35-39, 1992
167. SUDDEN death in a young adult due to coronary artery aneurysm secondary to suspected Kawasaki disease by S Subramaniam and KB Peh 14(1): 49-51.
168. THALASSAEMIA in Malaysia : a strategy for prevention by O Ainoon and SK Cheong 16(1): 23-27, 1994.
169. URINE collections for microalbuminuria: comparison of methods by Musalmah Mazlan, Fadzil Ramli, Mafauzy Mohamad, Wan Mohamad Wan Bebakar and Mustaffa Embong (abstract) 16(1): 109-110, 1994.
170. The USE of adenosine deaminase (ADA) activity as a biochemical marker for extrapulmonary tuberculosis by Rohani Md Yasin, YM Cheong and R Rani Jusoh (abstract) 16(1): 95, 1994.
171. USE of Ames DCA 2000 Hemoglobin AIC reagent kit in an out-patient clinic by Musalmah Mazlan, Fadzil Mohamad Ismail, Mafauzy Mohamad and Wan Mohamad Wan Bebakar (abstract) 16(1): 110, 1994.
172. USE of interactive multi media in the archival storage and self instructional learning of histopathology by PK Das, KK Phua and Shabaan (abstract) 15(1): 91-92, 1993.
173. WILMS' tumour in Malaysian children: a histopathological study of cases encountered at the University Hospital, Kuala Lumpur over a 22 year period by PL Cheah, LM Looi and HP Lin 14(2): 111-115, 1992.
