

# THE MALAYSIAN JOURNAL OF PATHOLOGY

## CONTENTS

### Editorial

- Challenges of Covid-19 testing ..... 1  
Tan GC, Cheong SK

### Review articles

- Properties of Coronavirus and SARS-CoV-2.....3  
Malik YA
- Diagnostic performance of COVID-19 serology assays.....13  
Zainol Rashid Z, Othman SN, Abdul Samat MN, Ali UK, Wong KK
- Upper respiratory tract sampling in COVID-19 .....23  
Mawaddah A, Gendeh HS, Lum SG, Marina MB
- Is this a blast? An illustrated practical review on peripheral blood smear examination in the paediatric patient .....37  
Rose G, Heidi Reinhard H, Kahwash SB

### Original articles

- Practice and performance of lupus anticoagulant tests: A single centre experience .....51  
Tay Za K, Jayarane S, Shanmugam H
- Evaluation of coagulation factor activity and sterility of thawed fresh frozen plasma during storage up to 5 days at 4°C .....59  
Shamsudin S, Yousuf R, Tang YL, Ding CH, Leong CF
- Medico-legal autopsies of homicidal deaths: A five-year retrospective study in Hospital Sungai Buloh.....65  
Rahimi R, Mohd Kasim NA, Zainun KA, Mohamad A' Azizan NA, Mansor MA, Ahmad Kamal NS, Daud ZZ
- Appropriateness of metformin prescription for type 2 diabetes mellitus patients with chronic kidney disease (Stages 3-5).....71  
Ramachandran M, Loi B, Mat Ariff N, Ng OC, Zahari Sham SY, Thambiah SC, Samsudin IN
- Is Procalcitonin more superior to hs-CRP in the diagnosis of infection in diabetic foot ulcer? .....77  
Zakariah NA, Bajuri MY, Hassan R, Ismail Z, Md Mansor M, Othman H, Nasruddin DN
- High expression of LC3A, LC3B, and p62/SQSTM1 autophagic proteins in human colonic ganglion cells .....85  
Awi NJ, Armon S, Peh KB, Peh SC, Teow SY
- Construction of a doxycycline inducible lentivirus that expresses stem cell-specific miR-302 cluster.....91  
Tan GC, Wong YP, Cui W, Dibb N

### Case series

- Methanol related death in National Institute of Forensic Medicine, Hospital Kuala Lumpur: A case series .....99  
Chng KL, Lai PS, Siew SF, Md Yaro SW, Mahmood MS

|   |     |
|---|-----|
| Imported Falciparum Malaria: A case series in a tertiary hospital.....  | 107 |
| Mohamed NA, Mansur FAF, Abdul Rahman N  |     |
| <b>Case reports</b>   |     |
| Endocrine mucin-producing sweat gland carcinoma - newly described skin appendageal tumours .....  | 111 |
| Bakrin IH, Rajaintharan S, Tawil Z, Mahayidin H   |     |
| Metastatic alveolar rhabdomyosarcoma on the fine-needle aspiration cytology of cervical lymph node in an elderly patient, with FISH confirmation: A case report ..... | 115 |
