

## **SPECIAL ANNOUNCEMENT**

We are delighted to inform you that the impact factor by Journal Citation Report 2021 for Malaysian Journal of Pathology is 2.103, while the Scopus CiteScore 2021 is 2.3. We hope to have the continuous supports from authors and reviewers. Due to the increasing cost in maintaining the journal, the College of Pathologists has decided that a publication fee will be incurred to all article submitted from 1<sup>st</sup> January 2023. The charges will only apply if it is accepted for publication. The publication fee for all types of articles including review article, original article, case series, case report and letter to editor is RM1000 (for Malaysian authors) and USD500 (for international authors). The journal will continue to have both the print and online versions. The print version is provided free of charge to all members of the College of Pathologists.
