

THE MALAYSIAN JOURNAL OF PATHOLOGY

CONTENTS

Editorial

- AI-generated scientific papers: Is it acceptable?.....209
Tan GC, YP Wong, SK Cheong

Review Articles

- Utilisation of the Malaysian BRCA variants database to construct a target panel for biosensor-based genetic breast cancer screening.....211
Hamzah NF, Mohd Zain Z, Lai MI, Hussin H
- Effect of microplastics and nanoplastics in gastrointestinal tract on gut health: A systematic review.....221
Tan YH, Mokhtar N, Raja Ali RA, Gew LT

Original Articles

- Causes of neonatal deaths in Malaysian neonatal intensive care units in 2015-2020: a descriptive study.....233
Boo NY, Ang EBK, Ang EL
- Risk stratification of pT1b urothelial carcinoma based on spatial relationships between invasive tumour and muscularis propria on TURB specimens for predicting muscle-invasive urothelial carcinoma in radical cystectomy: A new proposal.....247
Kim JM, Park S
- Analysis of demographic differences according to histomorphological subtypes of 1312 cases of ameloblastoma.....253
Siriwardena BSMS, Goh YC, Tilakaratne WM
- Diagnostic accuracy of high-sensitivity troponin I in an accelerated protocol to assess 30-day outcomes among chest pain patients in the emergency department263
Hasan PNS, Zahari Sham SY, Thambiah SC, Samsudin IN, Ismail I, Abdul Aziz AF, Anthonyamy C, Omar R
- Prevalence of lysosomal storage disease (LSD) in Malaysia273
Omar A, Abdul Rahman S, Mohamed R, Amin Nordin FD, Mohamed Shakrin N, Mukhtaroh Nasohah S, Sallih NS, Abdul Azize NA, Abdul Wahab SA, Lua SH, Yakob Y, Mohamed WAS, Ahmad Noorden MS, Abdul Jalil J
- Multiplex ligation-dependent probe amplification (MLPA) assay: a single centre experience of MLPA assay for alpha thalassaemia diagnosis287
Abdul Muttlib FA, Raja Sabudin RZA, Mohamed Ramli MH, Jalil N, Mohd Yasin N, Hassan S, Abdul Hassan FS, Alauddin H, Othman A

Case Reports

- Subcortical bone marrow and deep marrow differences: A comparison in a series of 5 cases.....297
Kahwash SB

Podocyte infolding glomerulopathy: Clinical insights from two case studies in Malaysia.....	301
Che Jalil NA, Gnanasegaram HK, Mohamad Mokhtar E, Muhamad Hendri NA	
Silent killer – a case of sudden death linked to lymphocytic thyroiditis	309
Mohd Mussadik UKF, Zaki HS, Hasim HS, Chng KL	
A case of large renal angiomyolipoma resulted in hydronephrosis	315
Phang WM, Tan JWD, Goh EH, Goh LL, Wong YP, Tan GC	

Conference Abstracts

Abstracts of the International Convention of Forensic Medicine and Science (ICFMS) 2025: Forensic Anthropology, Odontology, and Radiology: Interdisciplinary Approach in Forensic Pathology, 2nd to 4th of July 2025, at Bayview Hotel, Georgetown, Penang.	319
