Secretary:	Cheah Phaik Leng
Treasurer:	Noor Hamidah Hussin
Councillors:	Halimah Yahaya Nor Hayati Othman Leslie Lai Chin Loy N Parasakthi (Co-opted) Abdul Karim Tajudin (Co-opted)

AIM AND EDITORIAL POLICY: The Malaysian Journal of Pathology is the official journal of the College of Pathologists, Academy of Medicine Malaysia. The primary purpose of *The Journal* is to publish the results of study and research in Pathology, especially those that have particular relevance to human disease occurring in Malaysia and other countries in this region. The term PATHOLOGY will be interpreted in its broadest sense to include Chemical Pathology, Cytology, Experimental Pathology, Forensic Pathology, Haematology, Histopathology, Immunology, Medical Microbiology and Parasitology. The Journal aims to bring under one cover publications of regional interest embracing the various sub-specialities of Pathology. It is expected that the articles published would be of value not only to pathologists, but also to medical practitioners in search of a scientific basis for the problems encountered in their practice, and to those with an interest in diseases which occur in the topics.

Publications are peer-reviewed. The Journal is listed in *Index Medicus* and can be accessed through the Medline online database.

SUBSCRIPTION RATE: The Malaysian Journal of Pathology is published half-yearly at an annual subscription of US\$60 (overseas) and RM30 (Malaysia).

BUSINESS CORRESPONDENCE including orders and remittances relating to subscriptions, back issues, reprints and advertisements should be sent to: The Business Manager, The Malaysian Journal of Pathology, Department of Pathology, Faculty of Medicine, University of Malaya, 50603 Kuala Lumpur, Malaysia.
